

NICOLE COLON

Governing Board Member, Brea Olinda Unified School District

It has been my honor to serve on your Brea School Board for the past nine years. As promised, I've worked tirelessly to help build partnerships between community stakeholders which have led to projects that benefit both our students and the entire Brea community.

During the unforeseeable crises of the 2014 earthquake and COVID-19 pandemic, I worked alongside District administrators and staff to ensure services continued to be delivered to each student at the highest possible levels. During challenging times, my focus and guidance always placed high priority on effective and responsive communication while listening to the needs of the BOUSD community.

With a Bachelor's in Business and real-world experience in the mutual fund industry, I have the expertise to deal with the complex budgetary issues faced by our District. I'm a mindful steward of your tax dollars with a proven track record of fiscal responsibility.

My top priorities remain to keep schools safe, maintain our aging facilities, and ensure our children are globally educated for an ever-changing technological world. You can count on me to be visible in our schools, working for you and all of our Brea residents.
