

MARLYS DAVIDSON

Los Alamitos School Board Member

As an American history teacher, I impressed upon my students democracy flourishes when we take an active role as committed citizens. Like so many, Stan and I moved here to raise our children. Over the past 40 years, our family has been deeply engaged and committed to this wonderful community.

As a Board member, I am honored to do this work. Through unprecedented challenges, we

- Were among the first countywide to safely reopen our schools
- Doubled mental health counselors, opened WellSpace student centers

- Assessed learning loss from the pandemic, provided intervention programs, individualized support

- Promoted work with equity, diversity, and inclusion

- Provided training for instructional practices, student safety, mental health

- Trained math teachers at Stanford University

- Enhanced Career Technical Programs

- Opened a stellar Aquatic Center and state-of-the-art STEM building

My focus going forward will be

- Enhancement of mental health resources

- Staff and student support

- Campus safety training and protocols developed in collaboration with law enforcement

- Programs of excellence for the 21st century

- Growth in K12 Arts

Additional background:

- Master's - Instructional Leadership

- 2010 Los Alamitos District Teacher of the Year

- 3 PTSA HSA Awards

With your support, Area 1, I will give my heart to our kids!
