

DANIELLE MILLS

Parent

My name is Danielle Mills and I am running for NMUSD Trustee, Area 2. I am just a regular mom who has decided that enough is enough, and that our school board needs to listen to us parents, not special interests or unelected bureaucrats, about what is best for our kids.

As a parent of two sons in our schools, I have become increasingly concerned over the last 2 ½ years at the direction our district has taken on many policy issues that have directly affected every family in our community.

I pledge to stand up for parental rights, as parents should never be excluded from what is happening in their children's education and school campuses. I will advocate for students and their success, by making sure they have the highest quality education in a collaborative effort between parents, teachers, and administrators. I will keep our schools open and will never vote to mask our kids.

Please join the following supporters in voting for me:

Costa Mesa City Council Member, Don Harper
OC Board of Education Trustee, Mari Barke

I would love for you to vote for me, Danielle Mills, for Newport-Mesa Unified School District Trustee, Area 2.

Thank you!
