

TODD FRAZIER**AGE: 41**

Local Business Owner

As a father to three children in the Placentia Yorba Linda Unified School District and a local business owner, I am eager to help secure the future of our distinguished school district!

For several years, my wife Tammy and I have been made keenly aware that our education system has become more focused on divisive ideologies that threaten traditional American values rather than promote academic excellence. These changes are causing students to fall behind and parents to lose faith in our institutions. Rather than complain, I decided to be part of the solution by running for school board trustee.

As a Yorba Linda resident for over 30 years and an active member in my church, a coach and supporter of youth sports programs, and a local businessman, I have a deep connection to our community. I am a licensed CPA and will bring financial expertise to the board.

My love for God and country drives me to do what's best for our students, protect parents' rights, and bring fiscal responsibility and accountability back to PYLUSD.

Join numerous educational leaders, community leaders, and others in voting for me.
