

LYNN DAVIS

Governing Board Member, Tustin Unified School District,
Trustee Area 3

Dear Neighbor:

I've provided leadership on our Tustin Unified School Board preparing students for 21st century opportunities: effective communication, analyzing complex information, rigorous math/science, integrated technology, and economic competitiveness. Student success is my priority!

Results - TUSD leads the way: 79% of TUSD graduates attend college compared to 66% statewide. 65% of TUSD graduates completed all UC required courses vs. 57% in Orange County and 52% statewide.

A Harvard MBA and past corporate CFO, my financial background helps assure TUSD effectively uses taxpayer dollars while combining accountability with transparency.

With valuable high-tech experience, I delivered expanded classroom technology and career technology education to TUSD students.

In challenging times our district, parents, students, and community deserve experienced leadership.

Protect our kids' education and families' investment.

Accomplished students = strong community!

Return a successful, proven and dedicated board member to TUSD.

Classroom teachers and their Tustin Educators Association, Orange County Superintendent Al Mijares, Past TUSD Superintendent Greg Franklin and Deputy Superintendent Kathie Nielsen, former high school principals Adele Heuer (Beckman), Al Marzilli (Foothill), Margie Sepulveda and Jonathan Blackmore (Tustin High), TUSD Board members Jonathan Abelow, Allyson Damikolas, James Laird and Jonathan Stone and many community leaders and members ask you to re-elect Lynn Davis.
