

LAUREN KLATZKER

Governing Board Member Fullerton Joint Union High School District, Trustee Area 4

Public education is the cornerstone of our community and our country. As a current Trustee and Board President of the Fullerton Joint Union High School District, I have spent the past four years working to continue the exceptional educational opportunities available in our district. FJUHSD is an amazing district because it has something for all students. I have helped to build relationships within the community and helped to ensure that those voices are heard at the highest levels. I have worked to ensure student safety and wellbeing through these challenging times. My work on the board has ultimately lead FJUHSD students to be prepared for success as they leave high school to either attend institutions of higher learning or to pursue their careers. As a parent of students in the district along with my own experience as an educator for the past 18 years, I have and will continue to provide unique insight and guidance as a leader. My work has provided me endorsements from educators and community leaders. With your continued support, we can continue to work together to create graduates who are critical thinkers and productive citizens ready to achieve and succeed in the 21st century.
