

HENRY CHAROEN

Governing Board Member, Centralia School District,
Trustee Area 1

As a parent of a fifth grader and a third grader in the Centralia School District, I care deeply about our district's future.

During my last 8 years as a Board Member, the district has:

- Outperformed county and state averages on test scores
- Built 21st century classrooms
- Built new playgrounds
- Increased school security
- Balanced budgets

If re-elected, I will continue my commitment to improving our high quality of education, retaining our outstanding teachers, and strengthening the district's financial stability. I vow to protect what we have worked so hard to achieve and to prepare us for upcoming challenges. I'm passionate about improving our children's future and committed to their education.

Through my work as a teacher at UCI, I bring classroom experience and knowledge to better serve our students' needs. I'm also the Chief Operating Officer of East Valley Community Health Center. I earned an MBA from UCI and an engineering degree from USC.

I will continue to fight for Centralia Schools if I get re-elected. Centralia School District is a great area and I'm extremely proud to live here. I care about what happens in our community and I want to continue to make a difference.
