Airline Pilot/Mother

As a 20-year resident, with two children who benefitted from being educated in Fountain Valley School District, my husband and I know the importance of a quality education for all students.

As a new board member, I am committed to:

- success for all students
- safe and clean schools
- supporting teachers and staff
- quality educational programs
- strong fiscal management
- proper instructional materials

As a commercial airline pilot, I focus on attention to details and precision to provide a safe and comfortable experience. My volunteer work includes serving in Courreges and Fulton PTA, Treasurer for Huntington Union Council PTA, Courreges School Site Council Member and as a church youth counselor. I understand how schools work and the benefits of parent engagement.

You can count on me to:

- come to board meetings well prepared
- focus on student achievement and district goals
- listen and be responsible to the parents, community and staff
- be committed to the role of board member
- make sound decisions

I look forward to your vote to ensure a solid educational experience for all students.
