

CYNTHIA AGUIRRE

Incumbent

As a La Habra City School Board Trustee, I have been a strong advocate for a world-class 21st century education for every student. Having graduated from La Habra School District schools, I strongly believe that there is no better path to opportunity than an education that can unlock a child's potential. The district is on the cutting edge of providing quality education for all our students. I will support continuing on that course!

As a Budget Analyst, I have helped to expand services and funding to improve access to services for Orange County residents of all economic backgrounds. I believe in allocating adequate resources to education and will work to ensure every student has the resources that they need to have a chance at success.

I believe that our teachers and staff make our La Habra schools great. They need continued support from administrators and parents to use their skills and expertise to educate our children. Whether you are a parent, teacher, or staff, I look forward to a continued strong relationship with you in our common goal to ensure a meaningful, comprehensive education for the children in our community.

I'd appreciate your vote.
