## 2021 School Accountability Report Card

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/)

For more information about the LCFF or the LCAP, see the CDE LCFF web page at [www.cde.ca.gov/fg/aa/lc/](http://www.cde.ca.gov/fg/aa/lc/)

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) [www.caschooldashboard.org/](http://www.caschooldashboard.org/) reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2021-22 School Overview

Rossmoor Elementary is proud to be a three-time National Blue Ribbon, seven-time California Distinguished, as well as a Gold Ribbon School. What makes Rossmoor so special is our community which is comprised of our dedicated staff, supportive parents, and community members that work harmoniously to nurture the growth of our students. Together we provide a strong foundation to support the academic, social and emotional well-being of our students so that they can grow and develop the necessary skills needed to be successful in our 21st century global society. Our students are continuously exposed to classroom practices and opportunities around critical thinking, communication, collaboration, creativity and innovation.

Our school goals that supports our mission are determined by a variety of factors. This includes our District Priority Goals, reviewing student progress through a variety of assessments (state mandated assessments, district benchmarks, and our Fountas and Pinnell reading assessments). We ensure our teachers continuously receive outstanding professional development to support the following District Signature Practices:

-We have a balanced literacy program- Reading Foundations of the Common Core (RFCC), language wall, integrating phonics and decoding, in order to meet our students needs and develop reading comprehension. Our teachers utilize Junior Great Books, Reading and Writing Workshop, and Thinking Maps.

- All our teachers are utilizing Cognitively Guided Instruction (CGI) strategies for teaching number sense and conceptual math and to develop strong problem solving skills.

- Another way we support our students growth and inquiry is through Science Technology Engineering and Mathematics through our STEM Lab where they receive instruction supported by NGSS. They are also exposed to technology instruction to prepare them to succeed in our 21st century learning. Our TK-1st grade have access to iPads, and our 2nd -5th grades have 1:1 Chromebooks.

Here at Rossmoor Elementary there are so many opportunities for magic and dreams to come true daily! The dedicated staff believes that ALL children can learn and succeed. Our teachers are well-versed in our district signature practices and provide our Knights with rigorous academic experiences that help them grow, be challenged and discover their individual strengths. As you enter our campus one can see and feel the magic that takes place. Our Knights are eager to learn, excited to be challenged, and regularly set goals that they work to accomplish!

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

## 2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
<b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b>	
<b>Intern Credential Holders Properly Assigned</b>	
<b>Teachers Without Credentials and Misassignments (“ineffective” under ESSA)</b>	
<b>Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)</b>	
<b>Unknown</b>	
<b>Total Teaching Positions</b>	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2019-20 Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

## 2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Los Alamitos Unified School District sets a high priority upon ensuring that high quality, standards-based textbooks and materials are available for every student to support instructional programs in the schools. Prior to adoption, the Los Alamitos Unified School District conducts a thorough review of its curriculum to ensure that it is aligned with California Standards for the

Common Core. Under California law, the State Board of Education reviews K-8 textbooks and other instructional materials and then adopts those meeting specific quality standards. In the Los Alamitos Unified School District, textbooks considered for adoption are carefully reviewed by a committee of teachers and administrators. The most promising programs are piloted using established criteria and guidelines. The recommended books are then approved by the Los Alamitos Unified School District Board of Education. To receive State instructional funds, the Los Alamitos Unified School District ensures that it has fully complied with the requirements of Education Code Section 60119. The District has also conducted an annual public hearing ensuring the sufficiency of instructional materials. Each school maintains a library/media center which is supported by District.

## School Facility Conditions and Planned Improvements

The Los Alamitos Unified School District has always emphasized the importance of a clean, safe environment for learning. The environment of each campus is a matter of pride for students, staff and parents. Several schools have planted individual gardens, organized workrooms, and planned workdays for students and parents to enhance the facility. To insure that our facilities are in good repair condition, custodians at each site perform monthly inspections and the District maintenance crew places safety as the number one priority. Rossmoor Elementary was built in 1959. Overall the school is in good condition. It is clean and well maintained. Voters within the District boundaries approved a local bond in 2008. Due to the passage of the Measure K Bond in 2008, all school sites within the District were modernized. The modernization work included the installation of new roofs, electrical, HVAC, plumbing, fire alarm and data systems. The doors, windows and flooring were replaced along with all new restroom fixtures. The modernization of Rossmoor Elementary School was completed in September of 2012. Additional information about the condition of the school's facilities may be obtained by speaking with the school site principal. Summer 2019 a new kindergarten playground was installed in the kindergarten yard. The Rossmoor PTA has worked with our Master Gardeners to create a new school garden that all Knights visit and teachers use to enhance their lessons. In the school year of 2021, our site received additional shade structures and tables to allow for more outside learning opportunities.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2021-22 Opportunities for Parental Involvement

The Rossmoor School staff is fortunate to have a strong and supportive parent and larger community that assists and supports with the instruction of quality education for our students. There are multiple opportunities for parents to be involved. Hundreds of parents and community volunteers assist the staff in supporting learning for all students. Volunteers support the front office, work in the classrooms, participate on field trips, tutor individual students, organize and participate in assemblies, work in the media center, volunteer on the playground, organize fundraisers and so much more. Our Parent Teacher Association (PTA) and Friends of Rossmoor fundraising group are involved with providing significant instructional support and financial support for the student curriculum and learning programs. Both PTA and Friends of Rossmoor support ongoing technology advances in the classroom as well as exposure to science and art enrichment activities. Rossmoor has long term relationships with small businesses in Los Alamitos and Seal Beach. Parents can, and do continually work with us to identify new businesses and other sources of support for Rossmoor. For more information about opportunities for parent involvement at Rossmoor, community members are encouraged to contact our school office and visit our website at [www.losal.org/rossmoor](http://www.losal.org/rossmoor).

What makes Rossmoor so special is our community which is comprised of our dedicated staff, supportive parents, and community members that work harmoniously to nurture the growth of our students. Together we provide a strong foundation to support the academic, social and emotional well-being of our students so that they can grow and develop the necessary skills needed to be successful in our 21st century global society. Our students are continuously exposed to classroom practices and opportunities around critical thinking, communication, collaboration, creativity and innovation.

The Los Alamitos USD Educational Foundation (LAEF) is a community-based, non-profit organization which was formed in 1985. It consists of supportive community members working together to raise money to maintain and improve the quality of the schools of the Los Alamitos Unified School District. The Foundation has a commitment of fundraising for STEAM initiatives. Contact LAEF at [www.LAEF4kids.org](http://www.LAEF4kids.org).

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

<b>Expulsions</b>	0.00	0.00	0.00	0.01	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

## 2021-22 School Safety Plan

Each site has a Comprehensive School Safety Plan, an Emergency Preparedness Plan, and a Crisis Intervention Plan. These three documents cover all aspects of campus safety. The plans are on file and available to all parents as well as the general public. The CSSP is reviewed and updated on an annual basis by the School Site Council and subsequently Board Approved. The CSSP is also on file at the Orange County Department of Education. The goal is to ensure a healthy, safe and drug-free environment on all Los Alamitos Unified School District campuses.

Each month our site participates in safety drills. We rotate through earthquake drill, fire drill, violent intruder, and lock down drills. These monthly opportunities allow for staff and students to prepare for an emergency event while on site. They also allow for staff to review and fine-tune ways in which we can continuously improve our safety practices.

## Professional Development

The primary areas of focus for staff development are the District's *Signature Practices*: Cognitively Guided Instruction (CGI), Readers & Writers Workshop, Reading Foundations for the Common Core (RFCC), Thinking Maps and Depth and Complexity. Student data is collected via District benchmarks and various formal assessments, such as CAASPP and Fountas & Pinnel Leveled Reading Assessments, to determine instructional needs for teachers. The District provides annual training to ensure accurate calibration in the administration of reading and mathematics assessments in order to assess site vs. district-wide areas of concerns.

Professional development is delivered by way of release time for teachers in the all of the Signature Practices. Teachers new to the Los Alamitos Unified School District are placed on a five-year professional development plan. Teachers are placed into cohorts according to the number of years with the District and attend professional development sessions. Teachers are also released to attend pre-approved workshops and conferences with the expectation of disseminating their findings by way of instructional networking. The District also provides content specific training when needed by departments or grade level teams. Teachers are supported through on-going, in-class coaching by District TOSAs. Site administrators provide regular, ongoing feedback by conducting classroom observations, setting individual goals for teachers, and by providing time for teachers to collaborate and review data within grade level teams, subject teams and departments. Teachers are provided opportunities to participate in instructional networking where teachers observe other teachers and debrief on the instructional strategies employed within the lesson. The practice of instructional networking is cross-curricular and non-evaluative.

Due to COVID-19, Professional Development has been reduced or the 20-21 school year.

This table displays the number of school days dedicated to staff development and continuous improvement.

## 2020-21 Local Accountability Report Card (LARC) Addendum

### Local Accountability Report Card (LARC) Addendum

#### 2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
